The Well Project believes that knowledge is power. We are dedicated to providing tools to our members to use to further their knowledge, as well as to educate and empower others in their community. In

addition to our fact sheets, we have developed several slide sets on important topics related to HIV. Below are links to PDF downloads of our slide sets. If you are in need of a PowerPoint version, please email us at update@thewellproject.org. Continue to check back often for the addition of new slide sets, as well as annual updates to the slides.
