PrEP IN PRACTICE:

Considerations for HIV Prevention Among Women of Color

A WEBINAR FOR HEALTHCARE PROVIDERS

Webinar occurred on May 10, 2016; 12:00 - 1:30 pm EDT

The Women's Collective and The Well Project were pleased to provide this webinar—focused on educating healthcare providers-giving an overview of PrEP for women through a multi-disciplinary approach:

- HIV and HIV Prevention Among US Women: A Role for PrEP, **Charlene Flash, MD, MPH, Baylor College of Medicine**
- Knowledge, Attitudes, and Likelihood of PrEP Use Among Women of Color in the U.S., [Judith Auerbach, PhD, University of California, San Francisco, and The Well Project](#)
- Culturally Competent PrEP Education for Women of Color, **Martha Cameron, MPH, [The Women's Collective](#)**

This webinar series is moderated by:

- [Krista Martel](#), executive director, *The Well Project*
